

Help make the school run safer by walking, scooting or cycling to school. There is storage available for your bikes and scooters which you are encouraged to use.

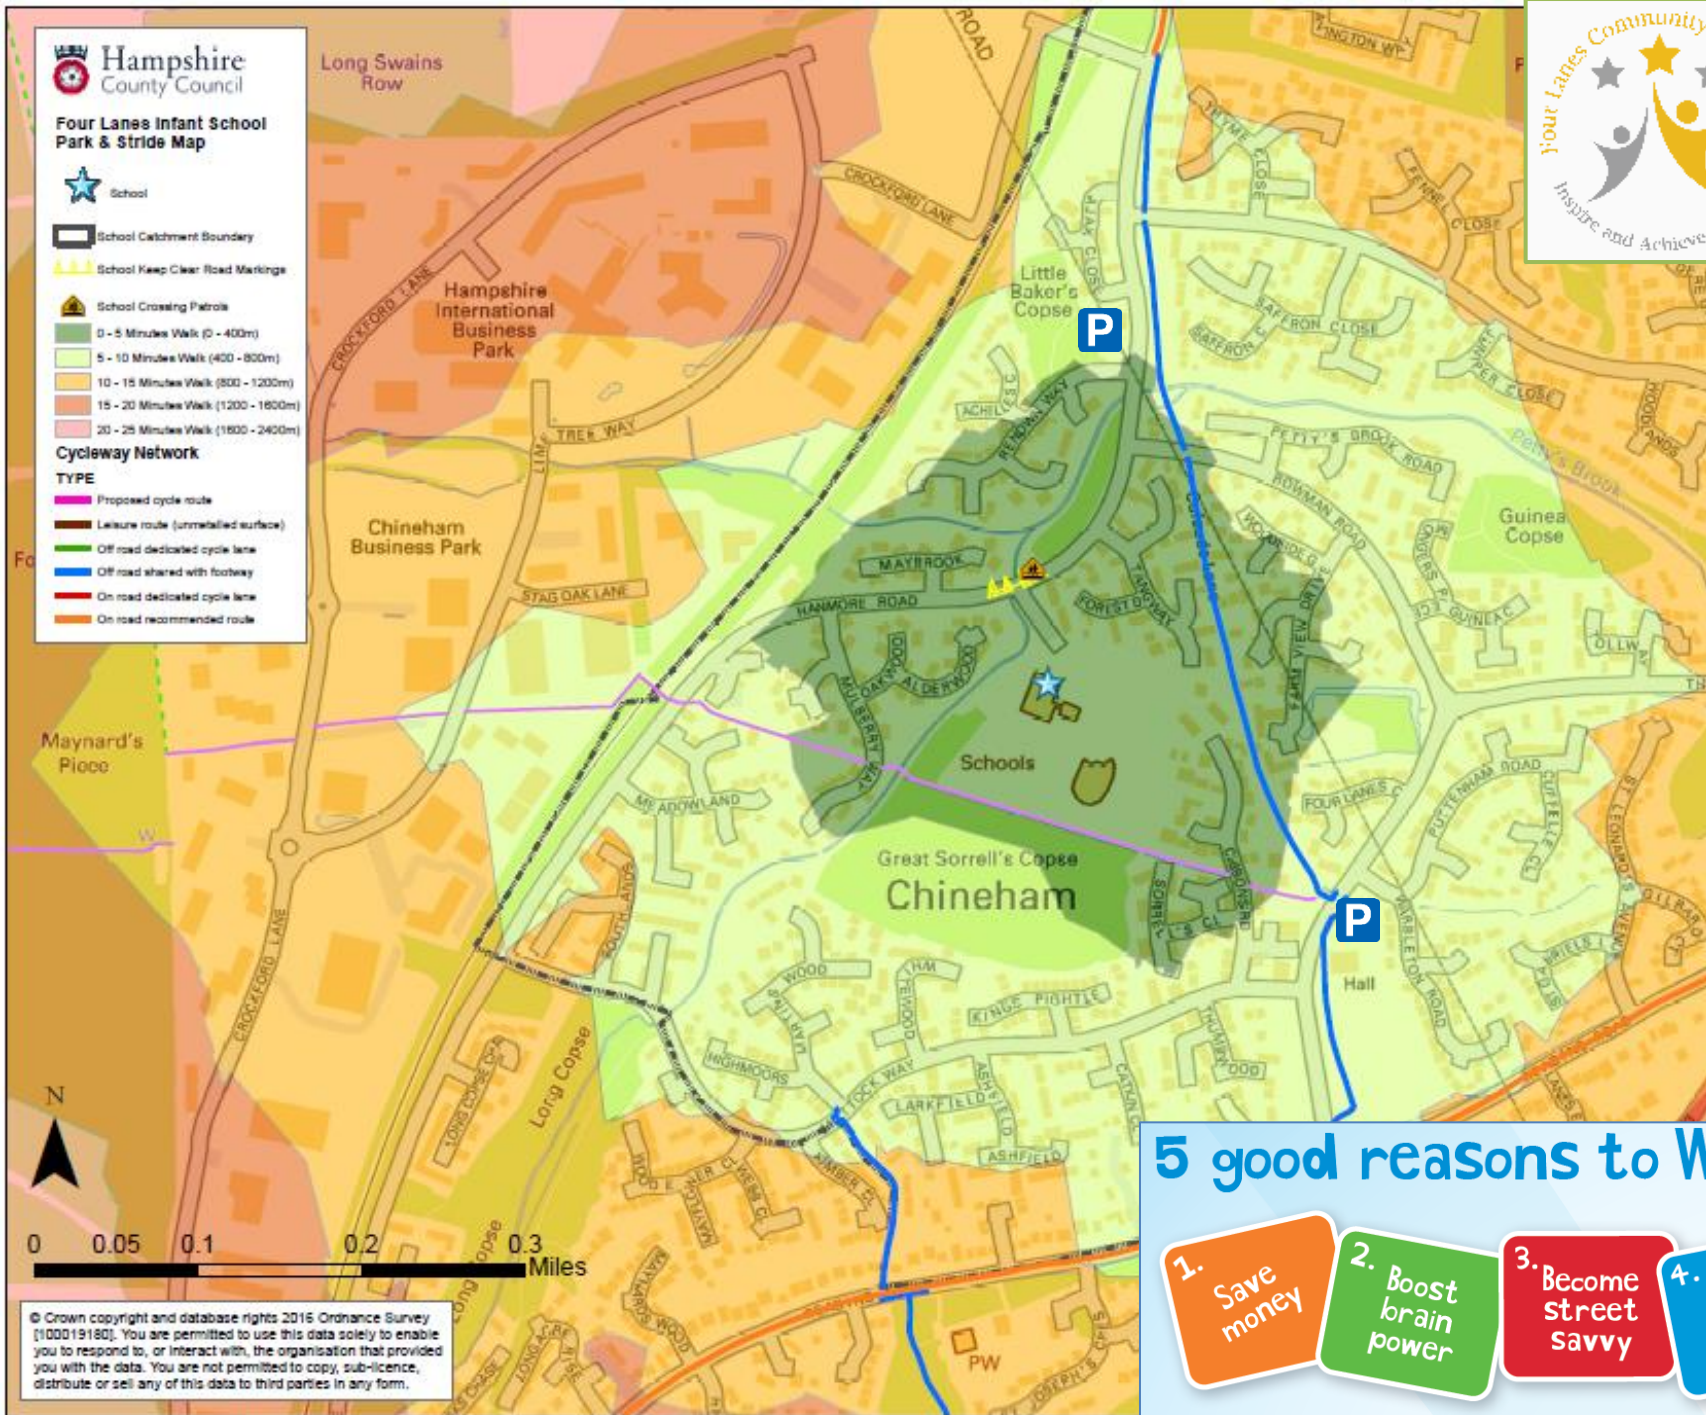

Help improve safety and air quality by not parking in close proximity to the school, particularly on zig zag markings or in the school car park which is only for staff and token holders at peak times.

There are footpaths and car parks marked on the map and plenty of on-street parking suitable to park and stride from a short walk away. The yellow/blue paths indicate suggested routes and there is a new zebra crossing on Thornhill Way to assist with crossing to the Chineham Village Hall from where you can Park & Stride.

5 good reasons to Walk to School

1. Save money
2. Boost brain power
3. Become street savvy
4. Enjoy quality family time
5. Kick start a healthy lifestyle

Walking Zones Map

This map indicates timed walking zones around the Four Lanes schools based on local footpaths and a child's walking pace.

Why not use it to find a nice walk to school, leaving the car at home or at least further away from the school site, even a few days a week?

Short of time? Pop a scooter in the boot and let your child scoot the last part of the journey.

5 good reasons to Walk to School

1. Save money
2. Boost brain power
3. Become street savvy
4. Enjoy quality family time
5. Kick start a healthy lifestyle
