PE and Sports Premium 2016/17 Allocated : £9475

At Four Lanes Community Junior School we believe that PE is important in the health and well-being of children. We also acknowledge that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement.

We are committed to ensuring that all pupils receive a minimum of 2 hours of PE per week, delivered by the class teacher and highly qualified sports coaches. Our coaches provide both high quality PE lessons and professional development for class teachers.

The Sport Premium funding is allowing us to develop a sustainable improvement in teaching and learning in PE by providing new resources whilst also providing further opportunities to increase pupils' participation in sport.
