

NEWSLETTER

June 2017

Dear Parents,

We are, once again at one of the busiest time of the year here at Four Lanes Juniors. Next week is particularly busy with class and team photographs on Monday afternoon; the Basingstoke Primary School Music Concert on Tuesday and Wednesday evenings; Sports Day on Friday and the Summer Fete on Saturday. FFLS are still very short of helpers so please see the bottom of this newsletter for information about helping.

We also have some of our Year 6 children taking part in the Basingstoke and District Kwik cricket tournament. Our boys came second this week and will now go to the semi-finals on Tuesday. Our girls also take part in their tournament on Tuesday so we look forward to hearing how they get on.

This is also the time of year when we look ahead to children starting in new classes and in some cases, new schools. The teachers will be working hard to ensure the smooth transition for all children and they will be talking to past teachers about each child (and future teachers in Year 6/7) so they have a really good knowledge of your child before September. The first 'Move Up' day will be on 30th June.

We will be saying goodbye to some of our members of staff at the end of term. Mrs Docherty will be leaving to work four days a week at the infant school and we have a new Inclusion Manager, Mrs Silver, starting with us. They have already started working together to ensure there is a smooth transition and will build on this relationship in to September when we look forward to further joint working between the two schools. We will miss Mrs Docherty and are extremely grateful to her for all her hard work and commitment to our children over her time here. I will give you further details about staffing next year in my newsletter in July.

This term is always one of mixed emotions as Year 6 end their time with us. However, there is still a lot for them to look forward to. Rehearsals will soon start for the Upper School Production 'Darwin Rocks'. Look out on the diary dates and Year 6 newsletter for show times!

Can I please urge you to look at the dates at the end of this newsletter and regularly check your parentmail. It's such a busy time of year, activities and events can easily get missed!

Mrs C Martinez
Headteacher

Sun Protection

This is the time of year when children are outside in the sunshine for a significant amount of time. Please ensure your child has **sun cream applied** before coming to school and provide them with a **peaked hat** to protect their heads and eyes from the sun. Peaked caps with the school logo can be bought from Skoolkit, (We do not allow sunglasses to be worn as they can cause problems in the playground!)

PLAYGROUND REMINDER

A reminder that there is no supervision of the school grounds by staff either before or after school. Therefore children must remain in the care of a responsible adult before teachers open their doors at 8.40am. The school is not responsible for your children until that time.

Please be aware that this also applies to the infant school playground and play equipment. Children should only be in the infant grounds if parents are dropping off or picking up siblings.

ARE YOU A PARENT OR GRANDPARENT WHO IS ABLE TO SPARE US SOME OF YOUR VALUABLE TIME?

We continue to urge all parents/grandparents to consider whether they can give up some of their spare time to join the committee and help raise much needed money to continue to give our children the very best learning resources. If interested please contact FFLS@sky.com or our school office for more details.

FFLS ARE ALSO STILL IN NEED OF VOLUNTEERS TO HELP MAN THE STALLS AT THE SUMER FETE NEXT WEEKEND. PLEASE CONTACT FFLS DIRECTLY OR THE SCHOOL OFFICE IF YOU ARE ABLE TO SPARE AN HOUR ON THE DAY

<p>Year 3 A, B, C, D and E represent the numbers 1, 2, 3, 4 and 5 but NOT in that order. Can you work out the value of each letter if:</p> <p>A + D = C B + E = C B + B = 6 A - E = E</p>	<p>Year 5 A, B, C, D, E, F, and G represent the numbers 1, 2, 3, 4, 5, 6, 7 and 8 but NOT in that order. Can you work out the value of each letter if:</p> <p>10 - B = C A + F = 11 C - D = E G + A = 9 B - E = F</p>
<p>Year 4 A, B, C, D, E, and F represent the numbers 1, 2, 3, 4, 5 and 6 but NOT in that order. Can you work out the value of each letter if:</p> <p>D + E = 10 B - F = A C + F = A E + A = 7 B + C = D</p>	<p>Year 6 A, B, C, D, E, F, G and H represent the numbers 1, 2, 3, 4, 5, 6, 7 and 8 but NOT in that order. Can you work out the value of each letter if:</p> <p>F + G = 10 B + H = 14 A - D = E 9 - F = H C + G = 11</p>
