## Ground Force Day Spring – Saturday 24<sup>th</sup> March 2018 (09:30-13:30)

Dear Parents

After the phenomenal turn out in November we are moving to the next stage of The Four Lanes Schools drive to enhance the school grounds. Having secured funding from Tesco for our 'Space to Grow' project we are very much hoping that you are able to help us spend our money and deliver it on the ground.

During the morning of the 24<sup>th</sup> March we require as much help as possible to cut, position and fill the growing beds, install deer fencing, position compost bins, lay weed membrane and bark chip the area. This is in addition to the other maintenance tasks. We have to look after the initiatives we have already started.

These ground force days, along with our ambitious plans to fund raise for a Log Tangle, show the schools commitment to Learning Outside of the Classroom and creating an environment of which the school can be proud.

Please remember that we are unable to have unaccompanied children on the school site during Ground Force Day.

Please fill in the attached form so that we are able to work out how much we might achieve during the morning.

Yours sincerely

Mr S Millard and the Eco Committee
