

# WELCOME to year 4!

## MINSTEAD WEEK

I hope you are sitting comfortably. On Wednesday 23<sup>rd</sup> January the Minstead children left us but we have had lots of fun. First thing we did was mapping the school from the bird's eye view with Mrs Sale and Mr Hicks and we found out there were 18 apple trees on the school field. On Thursday 24<sup>th</sup> we did junk modelling – remaking the clean-up crew with recycling. Our character was really cool because it was made of junk. We finished the day by facetimeing the children that were away.

On Friday 25<sup>th</sup>, we did our recycling posters in the morning and facetimeed our friends again. We then finished our rap and wrote all about our time this week.

I hope you enjoyed reading about our week.

## Our Super Fun Thursday

On Thursday it was our full day without our friends who were at Minstead. We were excited and nervous for them. Because they were away having so much fun our teachers decided that we could so much fun as well. One of our activities was making a fun robot for the recycling crew. We called ours a Relana Recycle. Funny name isn't it. We had to bring in lots of recycling to make it. Our teacher even brought some in as well. By the end of the afternoon, we had finished it. It took so long! We had had a lovely day and we can't wait for our friends to get back from Minstead!
