

Welcome to Year 3

Gilbert Wight House

We went to Gilbert White's house with all of Year 3. We were in groups and took part in different activities. One of the activities was orienteering. We used a compass to find a pretend penguin which had a letter, degrees (direction) and the number of steps to the next penguin. The winners were the ones to find all the letters and work out the word. It was FROZEN!

Dressing up

In a room by the entrance we had a go at dressing up in the clothes that were used in Antarctica by Scott.

Museum

We had a really amazing time in the museum. We smelt disgusting smells that Scott and crew would have smelt such as whale blubber. We had to explore the museum to find all the artefacts on our quiz sheet and got a chance to find out more information about Scott's expedition.

Week:

1st – 5th April

RE

In RE we've been looking at the concept 'changing emotions'. We spoke about how our emotions change through the day and that we don't all feel the same emotion at the same time as someone else.

We looked at changing emotions in Holy Week (the week before Easter) and how the disciples' emotions changed over Palm Sunday, The Last Super, Good Friday and Easter Sunday.

We really enjoyed sharing our experiences and learning more about Easter.
