March 2019**

HAMPSHIRE INFORMATION BOOK AWARDS 2019

This year the winner was **Joan Procter Dragon Doctor**. I (Jazmine) really liked this book because it was funny when she took the baby crocodile to school.

We really enjoyed finding out about and reading books that we have never seen before.

I (Maisie) liked **Amazing Animal Homes** the most because I love animals and it was interesting to see where all the animals came from. This book came second in the awards.

The book that came third was **The London Book** (this came first in our school) as it had lots of interesting fact about London.
