

# OLIVIA!

Our end of year production is called Olivia! This is linked to the Charles Dicken's tale Oliver Twist. There is some similar parts and some differences - for example, Olivia is a girl and Oliver is a boy. Some characters are the same like Fagin and Dodger but there are also new characters like the flower sellers and everyone in the poor school for girls. Some of the children took a risk and had solos to sing and lots of complicated lines. The Year 5 are the chorus and sing the songs.
